2030										3.65	6.70		0.38	

Notes: * StrEG: 90% of sales price. Converted to EURO-cent. ** EEG 2000: Operation time of prior installation is halved (min. 4 years). After that follow same reduction of rate rules as new installations. *** EEG 2000: Degression from 2002. **** EEG 2012: Small-scale (≤50KW) will receive initial fee for 20 years.
